Hebrew Lesson Genesis 1: 1-4, 26-31; 2: 1-4

Our Hebrew Lesson today is the creation story as found in the First and Second Chapters of Genesis.

Hear these words:

In the beginning God created the heavens and the earth. The earth was without form and void, and darkness was upon the face of the deep; and the Spirit of God was moving over the face of the waters. And God said, "Let there be light"; and there was light. And God saw that the light was good; and God separated the light from the darkness.

Then God said, "Let us make humankind in our image, after our likeness; and let them be stewards of the fish of the sea, the birds of the air, the cattle, the wild animals, and everything that crawls on the ground." Humankind was created as God's reflection: in the divine image God created them; female and male, God made them.

And God blessed them, and said, "Be fruitful and multiply, fill the earth – and be responsible for it! Watch over the fish of the sea, the birds of the air, and all the living things on the earth!" God then told them, "Behold, I have given you every plant yielding seed which is upon the face of all the earth, and every tree with seed in its fruit; you shall have them for food. And to all the animals of the earth, and to every bird of the air, and to everything that crawls on the ground – everything that has the breath of life – I have given every green plant for food." And it was so.

God looked at all of this creation, and proclaimed that it was good – very good. Evening came, and morning followed – the sixth day. Thus the heavens and the earth were finished, and all the host of them.

On the seventh day God finished all the work of creation, and so, on the seventh day, God rested. God blessed the seventh day and called it sacred, because on it God rested from all the work of creation. These are the generations of the heavens and the earth when they were created.

May God bless the hearing of these ancient words. Amen.

Epistle Lesson Romans 1: 19-20

Our Epistle Lesson is from the First Chapter of Paul's Letter to the church in Rome.

Hear these words:

For what can be known about God is plain to them, because God has shown it to them. Ever since the creation of the world God's eternal power and divine nature, invisible though they are, have been understood and seen through the things God has made.

This is the Word of God. Thanks be to God! Amen.
