<b>Occupation:</b>	<b>Attorney/Tax Consultant</b>
<b>Member Since:</b>	<b>1994</b>

I have been a member of COH since 1994, and my husband, Alex Deets, was confirmed as a member in 2017. I am currently active in the COH small group ministry, and Alex and I attend our small group weekly.

I have enjoyed serving as a member of the Board of Stewards over the past four years, during which time I also served as Treasurer, in which role I shepherded the congregation through some trying financial challenges. I am confident that my prior service in this role places me in a position to continue to provide effective leadership to Cathedral of Hope for the next three years if I am reelected.

My volunteer experience spans over 27 years with Legal Hospice of Texas, with which I am currently serving my thirteenth year as a member of the Board of Directors and my third year as Board chair.

I am an attorney with 28 years of experience, practicing as a tax consultant in the Dallas office of Alvarez & Marsal, a global consulting firm.

As a leader of a team at Brinker International, I'm focused not only on the success of our guest metrics and the business, but also on the development and well-being of my direct reports.

Professionally, I have experience in budget planning, managing expenses while having a direct influence on how specific resources are allocated for certain initiatives in our budget. I have organized community fundraisers at Brinker. Recently, I have worked with organizations such as The Boys and Girls Club and the Ronald McDonald House.

When I first attended CoH, I was homeless and struggling to battle a drug addiction. The love and hope of the CoH community, inspired me to discover a better, sober version of myself while helping me to succeed on my personal and professional journey. I would love to give back to CoH, that which was so freely given to me. I want to help to continue building a legacy for CoH, so that the newcomer will always feel welcome, regardless of their circumstances, gender, race or who they love.
